

NEW VISION SCHOOL WEEKLY NEWSLETTER

GRADE 10 | WEEK 7

Our stories. Our school. Our week.

Hey, Grade 10!

It's Zainab, your newsletter editor! Midterms are done and break mode is on! Before we recharge, let's catch up on our learning and give our stars a big cheer!

ENGLISH

Read. Think. Shine!

We tackled exam-style questions in a Reading Enrichment Session using our Pearson Edexcel English textbook, building comprehension, analytical skills and confidence!

ARABIC

Poetry meets creativity!

We explored Tarafa ibn al-Abd's life and poetry, then turned our ideas into colourful group posters. Teamwork for the win!

Shared ideas.
Colourful posters.
Great teamwork!

STARS OF THE WEEK

ENGLISH | 10A

Ahmed Taher

ARABIC | 10A

Ahmed Taher & Mohmed Jaffer

CHEMISTRY | 10A

Amna Tareq

PHYSICS | GRADE 10

Dana Nabeel

A big cheer for every one of you!

PHYSICS

Under pressure!

We explored Boyle's Law with PhET and a syringe-and-balloon activity. For trapped air at constant temperature: less space, more pressure!

A thoughtful gesture. An important message.

On Thursday, 15 October, our school hosted a very informative breast cancer awareness session for girls in Grades 10-12. Focusing on prevention and early detection, this thoughtful initiative reflected the school's care for student wellbeing.

Awareness matters. Care matters.

MIDTERM BREAK IS HERE! Rest, recharge and enjoy your well-earned break.
