STAR OF THE WEEK

English	Mariam Ali (3A) Alaa Jameel (3B)
Mathematics	Dana Khalifa (3A) Hoor Ammar (3B)
Science	Zein Mohamed (3A) Malik Mohamed (3B)
Arabic	Ali Maitham (3A) Layla Fwaz Abdulla (3B)

Assembly Programme

Grade 3 students participated enthusiastically in the assembly on the topic “**Save Water.**” They presented a skit, a dance performance, and an Arabic skit to highlight the importance of water conservation and encourage everyone to use water wisely. Their performances conveyed the message that every drop counts and that saving water is everyone's responsibility.

STUDENTS ACHIEVEMENTS

Students showed good progress in all subjects.

In Science, they studied different types of energies and how energies are related in our daily life. In Mathematics, they learned Addition of 3 digit numbers which developed their counting skills. In English, they practiced comprehension and learned how to understand and respond to questions based on a text. In Arabic, students practiced demonstrative pronouns which improve their ability to understand and express grammatical ideas in Arabic language. Overall, the students participated actively and demonstrated good understanding of the topics covered.
