Grade 7 | Week 7

Your Week, Your Vibe, Your News!

From epic moments to exciting discoveries — **Grade 7**, this week is all about YOU!

Science Quiz – Preliminary Round: Think, Explore, Excel!

The Grade 7 Science Quiz Preliminary Round challenged students to demonstrate their scientific knowledge, logical thinking, and problem-solving skills. The event encouraged healthy competition, teamwork, and scientific curiosity while inspiring students to explore the fascinating world of science.

Like and Unlike Terms Activity (Math)

Students sort algebraic terms into like and unlike terms using color-coded cards, identifying terms with the same variables through hands-on collaborative learning.

Turning Pages into Possibilities! (English)

Our brilliant students continue to excel in reading, exploring captivating stories, and bringing literature to life with their growing imagination and creativity.

Promoting Reading Skills Among Grade 7 Students (Arabic)

Over the past two weeks, a variety of engaging activities have been carried out to enhance students' reading skills and foster a love of reading. Grade 7 students participated with great enthusiasm and active engagement, creating a positive learning atmosphere while developing their reading abilities and building confidence.
